It's about entertainment, sure. And convenience, yes. And comfort, too. It's also about security, efficiency, and serious home economics. But mostly it's about keeping you connected with the people and things that matter most in your life.

And that makes the Smart Home Connection Package from Classic not just smart, but intelligent. So intelligent, some might go so far as to call it genius.

The home of the future is here—today—and it's yours for the having. Only from Classic.
