

Somers said that if staff or students exhibit symptoms, they will be sent home. If one individual exhibits symptoms, the school will close for 72 hours. If there are two individuals, the closure will be for 144 hours. If more, the closure will be for 14 days. El Paso County Public Health would notify the district of positive testing.

As part of the consent agenda, the board voted to purchase 10 new buses over the next five years. A large portion of the fleet is now over 20 years old, with the recommended useful life of a bus being 12-15 years. The bus fleet maintenance budget has been cut over the past several years as a cost-cutting measure.

The cost of the 10 buses will be under \$1.1 million.

The Lewis-Palmer D38 Board of Education usually meets at 6 p.m. on the third Monday of the month at the district's

Learning Center, 146 Jefferson St., Monument. Due to a scheduling conflict, the April meeting will be held on Tuesday, April 21. Check website. Harriet Halbig can be reached at harriethalbig@ocn.me.
