

County Line Road bridge reconstruction

By Lisa Hatfield

This spring, the Colorado Department of Transportation (CDOT) will begin reconstruction of the County Line Road bridge over I-25 in Monument. The bridge will double to accommodate one through-lane and one turn-lane in each direction, and shoulders on each side.

First, crews will build the outside lanes of the bridge. Then, they will demolish the existing bridge structure and reconstruct the bridge to connect it to the new outside lanes. Major reconstruction of the County Line Road bridge is expected to be complete by the end of 2021.
