

them in a state of mind that is not conducive to teaching. They urged the board not to implement FASTER at this time.

Graham read aloud a draft resolution saying, in part, that the board had a duty to provide a safe environment, wished to provide rigorous training, and resolved to work over 12 months to develop school safety programs to prepare for an active shooter event. Dole suggested removing the training date and specific training provider. St. Aubyn suggested removing the reference to

the Uvalde shooting, which seemed reactive. Buczkowski reiterated his interest in getting a consultant to look at existing security protocols and help MA prioritize its efforts.

Graham tabled the discussion until a special meeting in July, saying he would address the requested changes.

Highway 105 Project

The Highway 105 Committee reported receiving no bids for the construction project to rework the MA's West Campus traffic flow. They did receive a bid for an owner's representative to manage the construction project. The request for proposals has been re-issued, and the county has modified some of the project specifications, which may help attract smaller construction companies.

Above: At the June 9 meeting, Monument Academy (MA) board member Misty McCuen presented school spotlight certificates to outgoing board members Megghan St. Aubyn and Chris Dole. Both are leaving the board after serving for three years. Board members expressed gratitude for all the ways St. Aubyn and Dole have contributed to the MA board and the school. The MA board is, from left, Ryan Graham, Lindsay Clinton, Chris Dole, Megghan St. Aubyn, Joe Buczkowski, and Misty McCuen. *Photo by Jackie Burhans.*

Graham noted the lack of responses means construction will not finish by the start of the school year, shifting the timeline to sometime in the fall. He said he was discussing with the Church of Jesus Christ of Latter-day Saints (LDS) next door extending MA's agreement to use the LDS driveway for right-in, right-out access only. Graham is speaking with church leadership and the church's legal counsel and is optimistic they understand the need to extend the agreement. He expects to send out more communication sometime in July.

Policies reviewed

Buczkowski highlighted the policies the governance committee reviewed:

- 1525 State Assessments Refusal—remove a reference to the repealed Colorado Revised Statute (CRS) 22-7-409 and strike section 6, which had obsolete forms.
- 1526 State Assessments Administrative Policy—
