- 1527 Student Retention Policy—no policy changes except for updating the review date.
- 1528 Homebound Instruction Policy—no policy changes except for updating the review date

The board unanimously voted to accept the changes as proposed. The revised policies can be found, along with existing policies, at <https://bit.ly/ma-bd-policies>.

Highlights

Board meeting highlights include:

- MA spotlighted outgoing board members St. Aubyn and Dole.
- The board unanimously approved a motion to resume recording and posting its regular meetings and live streaming, if possible, starting with its August meeting.
- The board approved its 2022-23 organization with Graham as president, Clinton as vice president, Buczkowski as treasurer, and incoming board member Emily Belisle as secretary.
- Buczkowski will also fill the role of board member

representative to Monument Academy Building Corp. (MABC) and Monument Academy Foundation (MAF) now that Dole is moving off the board. MABC and MAF are the organizations that hold the bond debt and lease agreements for the West and East campus buildings, respectively. Dole will remain on the MABC and MAF boards as a parent representative.

- The School Accountability and Advisory Committee (SAAC) for MA's East Campus, as reported by McCuen, provided a letter to the board indicating the end-of-year survey, with a 30% response rate, had a downward trending response. Concerns included a decline in perceived excellence, teacher turnover, use of long-term substitute teachers, staff teaching outside their expertise, and the use of iPads in the classroom. There was also a down-

ward trend in character leadership and electives. After tabling it last month, the board voted unanimously to add the position of development officer reporting to Chief Financial Officer Marc Brocklehurst.
