Audio consultant to review bids for sound system

Banta suggested to the board that they engage a consultant to review the bids the town has received to upgrade the sound system in the Town Hall building. Banta said he had spoken informally to a consultant, and felt the consultant could save the town money on the equipment proposed in the bids.

The board authorized Banta to work with the consultant.

The two meetings for April will be at 6:30 p.m. on April 13 and 27 at Town Hall, 42 Valley Crescent. Meetings are normally held on the second and fourth Thursdays of the month. Information: 481-2953.

Monument Board of Trustees, March 6

Well engineering work order approved

By Lisa Hatfield

On March 6, the Monument Board of Trustees approved engineering work that would allow the town to make use of Well 4/5, which is shut down now because it cannot run efficiently with its current configuration. The trustees also heard updates on the town's radium treatment

project, emergency water interconnection options, the water reuse plant project in the brainstorming phase with Woodmoor Water and Sanitation District (WWSD), and the search for a new town clerk.

Mayor Jeff Kaiser and Trustee Shea Medlicott were absent.

Engineering work order approved for Well 4/5 plant

Public Works Director Tom Tharnish presented a resolution for a \$66,200 work order with Forsgren Associates to complete the final design for water treatment plant improvements at Well 4/5 and prepare the documents for review by the Colorado Department of Public Health and
