Monument Planning Commission, Sept. 12 Sanctuary Pointe filing, Monument Creek Ranch annexation advance

By Kate Pangelinan

The Sept. 12 Monument Planning Commission meeting was the last meeting to be attended by Commissioner David Gwisdalla. Gwisdalla served on the Planning Commission for 10 years and is moving to Ohio in October. Planner Jennifer Jones presented Gwisdalla with a certificate to honor his time on the commission.

It was noted that there were now multiple openings on the Planning Commission for both permanent and alternate positions. A number of people had applied to fill all the open slots, and appointments were scheduled to be made at the Oct. 1 Board of Trustees meeting. Some of these appointments will be effective immediately, while others will become effective in January 2019.
