Peer Support Program

Administrative Assistant Jen Martin announced the newly selected coordinator for the Peer Support Program is Stephanie Soll. Dr. Judith Long of the University of Colorado at Colorado Springs will begin staff training in November with four non-consecutive sessions. Martin said, "This is a gift to the staff." "It is excellent—and greatly needed," Truty said.

Fire Prevention Month

Martin reminded everyone that October is Fire Prevention Month. Fire Marshal/Administrative Battalion Chief Jamey Bumgarner reported that School District 38 elementary students would be receiving door tags reminding everyone to "Close before you doze" in response to a recent incident that would most likely have resulted in loss of life if the bedroom door of a blazing home had been left open.

Martin also thanked D38 students for their kindness and generosity in the recent First Responder Appreciation campaign, when lunch, snacks, and cards of appreciation were delivered to TLMFPD stations.

Meetings are usually held the fourth Wednesday of each month. The next meeting is scheduled for 6:30 p.m. Oct. 24 at TLMFPD Station 1, 18650 Highway 105. For information, contact Jennifer Martin at 484-9011. For upcoming

ing agendas, see <http://tlmfire.org/board>.

Forest Lakes Metropolitan District and Pinon Pines Metro Districts 1, 2, and 3, Sept. 6

Privacy policy approved; residents learn about district structure

By Natalie Barszcz

At the Pinon Pines Metro District 1 (PPMD 1) Sept. 6 board meeting, the board approved a Consumer Data Privacy Policy resolution. (A similar policy was approved at the separate meeting of PPMD 2 and PPMD 3 and Forest Lakes Metropolitan District (FLMD)). The board also answered questions from PPMD 1 residents about the function of the different metropolitan districts, surface water treatment plant completion, source intake, and annexation into the Town of Monument.

District structure

Russel Dykstra, district counsel, explained to the residents of the "Forest Lakes development" who attended the meetings on Sept. 6 that PPMD 1 has a different purpose and board composition than PPMD 2 (currently undeveloped) and PPMD 3 (commercial) and the all-encompassing FLMD:

- FLMD is a half-acre operating district with no residential buildings that is responsible for the public infrastructure, water, wastewater, storm drainage, parks and trails, landscaping, and streetlight services for the residents of PPMD1 and PPMD 2, the residential districts.
- PPMD 1 and 2 are financing districts and provide no services except to collect property taxes for FLMD.
- PPMD 3 provides no services except to collect

commercial property taxes. The commercial property lies mostly within the southwest town limits of Monument, south of Baptist Road and adjacent to I-25.

For a more detailed explanation of this layered metropolitan district structure, see www.ocn.me/v18n7.htm#flmd.

The PPMD 1 board is made up of President George Lenz, executive vice president of finance of Classic Homes, Treasurer Doug Stimple, CEO of Classic Homes,

Find the Fuel Bus

If you see the FUEL BUS parked in front of a local business, you may be eligible for a discount at that business! Here's how it works.

1. Take a creative selfie in front of the FUEL BUS.
2. Post it on your personal Facebook timeline and tag the selfie to a) the Fuel Church Facebook page and b) the Facebook page of the business.
3. Show the business owner/manager the post on your timeline and the tags to receive a discount!

Use #findthefuel to connect with others searching for the bus and for other discount discoveries #discountday #iamfuel #findthefuel #fuelbus

If you are a local business owner/manager and would like to participate in this venture, please contact us at info@fuel.org.

Fuel Church is a non-denominational, spirit-filled church. Join us for Sunday service 10 am at 14960 Woodcarver Rd. (NAVSYS building). We have activities for all ages. Our lead pastor is Dan Crosby. ■
