

student services and the gifted and talented program. Edukit school supply packs arrived and were sorted and delivered. A new Gaga Ball pit was installed, funded by money from the King Soopers rewards program. The back-to-school Boohoo Breakfast was hosted at Limbach Park so that kindergarten parents could get together and meet each other. The PTO is working on getting rewards to kids who completed summer workbooks and were scheduled to discuss funding goals at their September meeting.

Tanja Curtis, president of the MA East Campus PTO, reported that the organizational structure and accounts were set up, spirit wear is avail-

able online, and the PTO attended the meet-and-greet days where they identified potential volunteers. The PTO is working on a tree dedication project, plaques for teachers, and a tile fundraiser to help buy equipment for the gym. They hope to host a teacher lunch each quarter and provide a \$100 check next year.

Highlights

The following items were highlighted at the board meeting:

- Herrera noted that enrollment was lower than budgeted as students have withdrawn since the start of school. However, the per pupil revenue is higher than budgeted, which offsets that slight-

ly. The net result is that MA is \$36,000 short in the budget but is tracking the status and has identified places to cut if need be.

- Herrera said that MA was signing contracts for a shuttle bus when it found out that homeless people had broken into the bus and were sleeping in it. They had also removed some engine parts to the bus, which was a total loss and no longer available.
- Strop reported that the road from the new school west to Jane Lundeen Drive is now open, but that Pinehurst Circle would not be paved anytime soon due to mois-

ture content.

- Board member Chris Dole reported that the

School Advisory and Accountability Committee (SAAC) was starting up
