Lewis-Palmer School District 38 Board of Education, Sept. 21

Monument Academy gives Annual Report; distance learning update

By Harriet Halbig

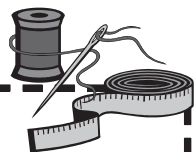

The Lewis-Palmer School District 38 Board Education heard the Monument Academy Annual Report,

an update on distance learning, and an update on implementation of the district's Strategic Plan at its Sept. 21 meeting.

In his comments early in the meeting, Superintendent K.C. Somers said that the school district's decision on returning to full-time in-person instruction remains tied to decisions by El Paso County Public Health. The state remains in a Safe at Home state where social distancing and the wearing of masks are required. There have been nine positive cases of the coronavirus in the district, including six staff and three students. Four classes have been quarantined. Bear Creek Elementary is the only location where more than one case has been reported.
