

can be used for educational technology (such as that needed for distance learning during the closure), training and supplies for sanitation, mental health support, and continuation of employment of existing staff.

Superintendent K.C. Somers said that the funds will be distributed on a per-pupil basis and must be spent by the end of 2020.

The Governor's Emergency Education Relief Fund (GEER) is expected to provide \$44 million statewide, with an unknown amount coming to District 38.

There has been a sig-

nificant decline in tax revenue and consequently a shortfall in revenue at the state level. Although the district is floor funded—receiving the low-

est amount per pupil in the state—this shortfall could result in a further decline in per-pupil revenue in the coming year because the state budget
