such classes as band, physical education, and recess. Few families who qualify for free/reduced lunch or English Language Learners responded. The majority of respondents said that they have access to devices and the internet should distance learning be required.

Over a third of families responded.

The student survey was created with the help of students grades 7 to 12. Nine hundred fifty responses were received. It was distributed to grades 7 to 12.

Seventy percent of the students said that they

planned to return to in-person learning. Student priorities were also class size and cleaning.

Students were also asked how many others they “hang

out” with outside of school, and the response was 0 to 10. The majority said they were comfortable using the cafeteria.
