MONUMENT (Cont. from 1)

could recoup the 250,000 gallons of water lost per day because it is reusable to extinction. The Loop project would solve the issue of allowing water to flow downstream and not having a way to get it back to Monument. Mayor Don Wilson considered this a cost-effective way to add renewable water resources to the town's water

portfolio.

The request was unanimously approved.

Trustee Mitch LaKind asked the board to approve a show of unity with Ukraine as it fights off a Russian invasion. His family fled Belarus during the Russian pogroms that targeted Jewish populations. As Russia took over nearby countries in its imperialistic conquest, the inhumane treatment of Jewish citizens included stripping them of their civil liberties to all-out slaughter of entire towns.

His great-grandfather, Moishe Leikin, left Belarus in 1907. Leikin traveled on the SS Samland with only \$23 in his pocket. The Leikin name was changed to LaKind over time.

The board agreed to change out the lights that are strung along Second Street to blue and yellow, the colors of the Ukrainian flag.

At 8:22 p.m., the board entered into an executive session pursuant to C.R.S. § 24-6-402(4)(b) and (4)(e) to discuss its contract with TPx, the town's IT provider. The meeting adjourned after the executive session without further decisions.
