

An important message for our readers
OCN needs your help!

Our Community News is an all-volunteer organization. For the past 20 years, our volunteers have provided unbiased reporting on important local issues, including real estate development, fire departments, school districts, and water availability. We have provided a very favorable platform for advertising local businesses. We have published letters to the editor to allow you to express your opinions on events affecting the Tri-Lakes area.

Now we find that we have more tasks than we have volunteers. Some vital jobs where we could use your help:

- Reporters. Reporting on local meetings, what

they talked about and what they decided.

- Mailing assistants. Counting and lifting tubs of papers to take the monthly mailing to the post offices and stacks of papers to local businesses, loading and unloading mailing tubs from a truck at two locations, preparing postoffice paperwork, tub labels, subscription labels, etc.
- Drivers. Driving a rental truck to various post offices once a month.
- Ad sales assistants. We need volunteers who love OCN to contact local businesses and encourage them to advertise in OCN.

The time and skills involved vary greatly from job to

job. OCN will provide whatever equipment and training you need.

Please join us today! Meet a group of interesting and committed people. Learn new skills—use your enthusiasm and creativity to benefit our community and celebrate unfiltered information.

Please call Publisher John Heiser at (719) 488-3455, or email johnheiser@ocn.me to see how you can contribute. Contact John today! He is waiting to hear from you. Together we can ensure that OCN continues to provide a vital service to our wonderful Tri-Lakes community.

Neighborhood safety

What qualifies as suspicious activity? "If you see something, say something." It's vital to report to local law enforcement. Suspicious activity can refer to any incident, event, individual or activity that seems unusual or out of place. Some common examples of suspicious activities include: A stranger loitering in your neighborhood or a vehicle cruising the streets repeatedly. Someone peering into cars or windows. Here's what local authorities and Colorado Department of Public Safety says is needed information: Who did you see; what did you see; when did you see it; where did you see it; why it is suspicious. Call 911 or your local law enforcement agency.

Free search for Unclaimed Property

Unclaimed property is tangible or intangible property that has had no activity for a specific period of time. Once the

The Sunflower is for people with non-visible disabilities

Watch for green and yellow sunflower lanyards, bracelets, and ribbons, discreet ways to make the invisible visible. Wearing the Sunflower discreetly indicates to people around the wearer including staff, colleagues and health professionals that they need additional support, help or a little more time. However big or small, your help moves us closer to a society where people recognize that an offer of help, understanding and kindness can make a huge difference to the daily experiences that a Sunflower wearer has.

County Trailability Program

A new program uses mobility vehicles to allow more people access to nature in ways previously inaccessible to them. Trail routes for each county nature center include the volunteers and staff, trained to accompany participants. Vehicle registrations can be made at the Nature Center May 1-Oct. 31.
