

Trail Repair Volunteers Needed

Friends of Monument Preserve (FOMP) needs volunteers to help repair the trails in the National Forest Open Space surrounding the Monument Fire Center. The Forest Service recently completed the second phase of Fire Mitigation work and many of the social trails have been damaged. The Forest Service relies on FOMP to maintain these trails. Trail Repair work days are scheduled on the second Tuesday of the month from April-October. Next meeting: Tue., **July 11**, 5 pm. Meet at the Mt. Herman trailhead off Mt. Herman Rd and Nursery Rd and bring gloves. Tools will be provided.

Neighborhood safety

What qualifies as suspicious activity? "If you see something, say something." It's vital to report to local law enforcement. Suspicious activity can refer to any incident, event, individual or activity that seems unusual or out of place. Some common examples of suspicious activities include: A stranger loitering in your neighborhood or a vehicle cruising the streets repeatedly. Someone peering into cars or windows. Here's what local authorities and Colorado Department of Public Safety says is needed information: Who did you see; what did you see; when did you see it; where did you see it; why it is suspicious. Call 911 or your local law enforcement agency.

Free search for Unclaimed Property

Unclaimed property is tangible or intangible property that has had no activity for a specific period of time. Once the property is in the custody of the state of Colorado, the State will maintain custody of the property in perpetuity until the rightful owner or heirs come forward to claim. The Sunflower is for people with non-visible disabilities

Watch for green and yellow sunflower lanyards, bracelets, and ribbons, discreet ways to make the invisible

visible. Wearing the Sunflower discreetly indicates to people around the wearer including staff, colleagues and health professionals that they need additional support, help or a little more time. However big or small, your help moves us closer to a society where people recognize that an offer of help, understanding and kindness can make a huge difference to the daily experiences that a Sunflower wearer has.

County Trailability Program

A new program uses mobility vehicles to allow more people access to nature in ways previously inaccessible to them.
