

NATIONAL DRIVER TRAINING

Don't get carried away by the competition.

***NDT's program is the only driver education class given on campus at either
Lewis-Palmer High School or Palmer Ridge High School.***

You Asked, We Listened:

NDT is expanding our Monument services with a full-time, local instructor. As a retired firefighter, our new instructor has an extensive background in public safety.

That means we are driving in more locations: Monument, Larkspur, and Glen Eagle.

You get to choose from more available hours, including evening hours!

NDT is also proud to continue our driver education classes through the District #38 Learning Points program.

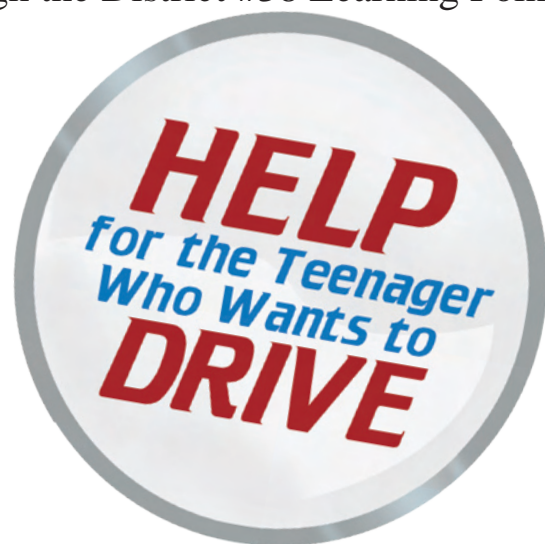

Did you know we have a class in April?

Our Spring session starts **THIS** month!

Days: Saturdays, April 14th, 21st, and 28th

Time: 9 am to 4 pm

Location: Palmer Ridge High School.

What if those days don't work?

You don't have to wait. Learning Points and National Driver Training also provide driver education online.

Students may enroll through D#38's Learning Points website at www.Lewis-Palmer.org
by selecting "Community Schools" and searching under high school programs.

Additional information is available from National Driver Training.

Be sure to mention Learning Points when you call NDT at 266-4700.

What about in-car instruction?

National Driver Training has added a dedicated local instructor to the Monument area. As always, we include free pick-ups and drop-offs from school.

Need a test?

NDT continues to offer state testing services from our Colorado Springs location - two doors down from the DMV. You can't get more convenient than that!

Come visit us for permit testing and driver license testing at:

National Driver Training
