Palmer Lake Historical Society, Jan. 17

## Historical Society introduces new board members

Bernard L. Minetti

Al Walter, president of the Palmer Lake Historical Society, introduced Tom Vanwormer and Bernard Minetti as two new board members at the Jan. 17 meeting. Minetti also assumed the position of board secretary. This meeting was the annual potluck sponsored by the society to acquire new members and encourage members to socialize. About 50 persons attended.

Member Jack Anthony said the Palmer Lake Star's standing with the Colorado State Register of Historic Properties would be known the following day. This listing is a registry of the state's significant cultural resources worthy of preservation for the education and enjoyment of Colorado's residents and visitors. Properties listed in this registry include individual buildings, structures, objects, districts, and historic and archeological sites.

The next day, Anthony told OCN that the Star had been accepted for listing in the register. The next step would be a listing on the National Registry of Historic Places.

Anthony introduced photographer Michael Holmes, who had taken a picture of the star at night from Mount Herman. This photo was part of the presentation to the board governing acceptance and placement on the state register.
