was named the town's volunteer fire mitigation grant coordinator at this meeting, asked town residents who are planning to do fuel mitigation this year to pledge money toward a grant the town is applying for from the state. The more matching funds pledged up front, the greater the total grant amount could be, and each resident who pledges would be rewarded. Harrington said, "A \$250 pledge buys you \$1,000 worth of fire fuel mitigation on an acre of your property."

Harrington emphasized how areas such as The Glen are at extreme fire risk due to the overgrowth of vegetation there and the difficulty of evacuating this area in case of an emergency.

Before March 10, residents should contact Harrington at 719-229-9635
