For more information and a registration form,  
Contact the Church at Woodmoor (719) 488-3200

Above: Donala Water and Sanitation District Board President Bill George welcomed new water operator Joe Lopez to the staff at the April 17 meeting. Photo by Jim Kendrick.

trict election polling place, open from 7 a.m. to 7 p.m.

- District election information is available on the district’s home page at <http://www.donalawater.org/> regarding voting details, absentee and mail-in ballots, and a brief statement from each board candidate
- Petersen is working on the 2013 cost of service document that will form the basis for any changes in Donala’s water and sewer tap fee structure.
- Standard Stage 2 water restrictions will begin on May 26 – watering three days a week on a staggered odd/even address basis with no watering between 9 a.m. and 6 p.m.
- There are no current plans to implement more restrictive Stage 3 water restrictions unless a situation arises that requires implementation.
- The first Donala staff cleanup of Baptist Road from Gleaneagle Drive to Roller Coaster Road on April 9 filled 15 trash bags with items such as pieces of taillights and bumpers.
- The next staff cleanup will be held in July.

Triview payments

Triview Metropolitan District’s outstanding balance under the current management agreement was \$702,814. Triview has issued 13 new taps in 2014 and submitted \$1,500 each to Donala to pay off this debt for Donala’s loan to Triview when the Upper Monument Creek Regional Wastewater Treatment Facility was expanded and converted.

Petersen reported that Triview will be late, up to 45 days, in paying Donala for its share of Upper Monument Creek quarterly expenses. Triview holds its board meetings on the second Tuesday of the month, which is often too soon for final monthly costs to be accurately determined and invoiced. The board members all expressed dismay at these continuing problems that are a “constant source of irritation.”

Donala will now send an estimated expense to Triview prior to the monthly Triview board meeting, then provide reimbursement if Triview is overcharged by the estimate or seek a supplementary payment if the estimate is less than Triview’s actual monthly cost.

Status of operations projects

Petersen reported that work continues on making all the necessary repairs to the Upper Monument Creek waste plant resulting from
