

Petersen stated that Donala had received the Triview district's payment of \$135,376 for its wastewater treatment for the second quarter. Triview also paid Donala \$39,000 for 26 new taps in accordance with Triview's 2009 arrangement for Donala assistance in financing Triview's share of the Upper Monument Creek facility expansion.

Status of operations projects

Petersen and Parker showed the board a video of the damage in the Well 3A. The 8-inch steel well casing, which was in-

stalled in 1986, had an "acorn-sized hole" at a depth of about 600 feet. Contractor Hydroresources installed a 20-foot stainless steel casing patch on the hole at a cost of about \$66,000 as well as a new motor and pump at a cost of about \$100,000.

A control system problem that caused a brief outage of Well 12 A has been repaired. However, Well 2A will remain out of service for the rest of this year to be hyper-cleaned before installing a new pump and motor.

All electrical repairs to the Upper Monument Creek facility after a massive

Mountain View Electric Association voltage surge have been completed. A new blower has been installed for the facility's sequencing batch reactor process.

Phase 1 of the Doral pipeline installation project near the Viewpoint Apartments will be completed by early September. A neighborhood meeting will be held when the final design of Phase II is completed to inform property owners about the construction schedule, and this information will also be posted on the district website.

The board went into executive ses-

sion to discuss strategies and negotiations regarding the sale of district property at 4:06 p.m. After the board came out of executive session, it immediately adjourned at 4:23 p.m.

\*\*\*\*\*

The next meeting will be held at 1:30 p.m. on Aug. 21 in the district conference room at 15850 Holbein Drive. Meetings are normally held on the third Thursday of the month. Information: 488-3603.

July 4th Snapshots of Our Community - I

Above: Colorado Springs Musket Loaders have parade watchers fire off a cannon during the Fourth of July parade in Monument. The event once again drew thousands to the Tri-Lakes area for a variety of activities throughout the day. The day started with a Fun Run from Palmer Lake to Monument, followed by the St. Peter Pancake Breakfast. Next, children decorated their bikes, other types of transportation, and themselves for a festive Children's Parade. The main parade followed with marching bands, cheerleaders, horse riders, fire trucks, and oaks decorated in a variety of patriotic and other ways. Following the parades, attendees browsed through a street fair, watched bull riding, and listened to music in Limbach Park to conclude the day.

Above Left: Local Girl Scout Troops were represented in the Parade

Above Right: Attendees of the pancake breakfast lined up for pancakes, eggs and sausages on the morning of July 4. The St. Peter Knights of Columbus hosted the annual pancake breakfast. Military personnel and first responders received their breakfasts for free. Photo by David Futey.
