### Black Forest Road closed at Kettle Creek

Heavy rain in the Black Forest area has prompted the immediate closure of Black Forest Road at Kettle Creek for safety reasons. Two critical stormwater culverts along Black Forest Road over Kettle Creek were heavily damaged during summer flash flooding. Heavy rain has accelerated the erosion problems underneath the roadway, forcing the immediate closure of the road between Swan and Shoup Roads. Weather permitting, construction is expected to begin in March with completion in July. Approximately 5,000 cars per day travel over this area of Black Forest Road and will be routed over an approximate three-mile detour using Swan, Herring, and Shoup Roads. For more information contact Dave Rose, 520-6540, cell: 337-9239, DaveRose@elpasoco.com.

### Work to start on I-25 bridge near Larkspur

The Colorado Department of Transportation (CDOT) will begin work **Nov. 6** to repair the northbound I-25 bridge over Upper Lake Gulch Road, just east of Larkspur. Work includes milling, erosion control, upgrading the bridge surface, and repairs to the deck and piers. The project is scheduled for completion in spring 2016. Drivers can expect lane shifts, a reduced 45 mph speed limit, and possible delays through the work zone. For project updates, email UpperLakeGulch@gmail.com or call the project hotline at 303-582-1812. To receive updates about road conditions, visit [www.codot.gov](http://www.codot.gov) and click on white envelope icon at the bottom of the page. Information about weekly lane closures is available at <https://www.codot.gov/travel/scheduled-lane-closures.html>. Updated road conditions can be found at [www.cotrip.org](http://www.cotrip.org), by downloading the CDOT Mobile app or by calling 511 from anywhere in the state.
