County prescription discount program could save you money

El Paso County's prescription discount program saved 10,000 residents \$250,000 in discounted medicines over 18 months at no additional taxpayer cost. People using the card saved an average of 23 percent. There are no eligibility requirements and no strings attached to receive the discounts. You can pick up a free Prescription Discount Card at most county government locations or you can download your own personalized prescription discount card on the county website (bottom of the front page) at www.elpasoco.com/.
