

Why advertise in OCN?

- **OCN is mailed FREE to every resident and business in the Tri-Lakes area.** We mail more than 16,300 copies every month and put another 700 copies in stacks throughout the area. *OCN* has the largest mailed circulation and the third-largest circulation among local newspapers in El Paso County after *The Gazette* and *The Colorado Springs Independent*. We put copies of *OCN* into the hands of those people most likely to buy your products or services: local residents and businesses.
- **OCN is a primary source for Tri-Lakes area news.** Since 2001, *OCN* has been presenting unbiased, detailed coverage of Tri-Lakes area governmental entities and their deliberations and actions. Credibility is key during tough times. Advertising in a credible medium typically rubs off on the advertisers in that media.
- **OCN takes ads only from Tri-Lakes area businesses.** In *OCN*, your ad won't be competing for attention with ads from Colorado Springs and Castle Rock. This policy was adopted at the founding of *OCN* in 2001 as a way to help local businesses like yours succeed.
- **OCN's low ad rates and monthly publication schedule help stretch your ad budget.** *OCN* has one of the lowest ad costs per printed copy of any local publication. Since *OCN* is a monthly publication, your ad is out there for a month—more than four times longer than other local papers. Many of our advertisers tell us they're still getting calls in the third and fourth week of the month.
- **OCN doesn't use contracts.** You aren't tied down. Adjust your advertising month-to-month to meet your changing needs. Our advertisers advertise with us because they see benefit in it, not because they're bound by a contract they signed months before. To reward frequent advertisers, *OCN* has a Frequent Advertiser Bonus (FAB) rewards program. You earn up to 10% of your ad cost as a reward you can use to reduce the cost of future *OCN* advertising. The more you advertise with *OCN*, the more you save. Thanks to our FAB program, *OCN* advertisers have saved more than **\$42,400!**
- **You are supporting a good thing.** Your advertising dollars support a unique all-volunteer, Tri-Lakes-focused effort to present factual, comprehensive news to all Tri-Lakes area residents.

Recycle Right

These three steps have a big impact on getting the right things in the recycling bin. Did you know that plastic bags can shut down an entire recycling plant? So keep plastic bags out of the recycling and when in doubt, leave it out. For more information, visit recycleoftenrecycleright.com.

Save your sewer system!

Grease from cooking, gravy, cooking oil, and sauces may look harmless as a liquid, but when it cools it gets thick and sticky. That means if you pour grease down your drain, it sticks to pipes and eventually can cause clogs and messy overflows. Prevent backups in your home by pouring all grease from bacon, fried chicken, and other cooking grease into a can, putting in the freezer, then tossing it in the trash.
